PASTORS, MINISTRY LEADERS, ELDERS, AND DEACONS are invited to join us for a FREE special conference that equips churches with practical tools to “earnestly contend for the faith” while protecting their congregation from “lawfare” and other legal issues. As Professor Wagner, former federal judge, says, “lawyers rarely get theology right, and pastors rarely get the law right.” Learn what churches can and cannot do legally, how you can prepare your family for lawfare attacks, how to safeguard your church, and how your rights are protected by the First Amendment. Plus, be encouraged from the Book of Jude about the role of the Church today. Complimentary lunch will be provided.
